

## 'Jew' See That Discussion Guide

**Text:** John 5:24-47

### **OPEN:**

1. Who was one of your heroes when you were a kid that is still someone you admire? Who was one of your heroes that has since turned out to be a disappointment?
2. Have you ever encountered a fraud in business - someone who made a whole lot of claims about himself or herself that were out-right lies?

### **DIG:**

1. Have someone read aloud verses 24-30 (all in the first person, I/me), pretentiously making those self-assertions. How does this person make the rest of you feel?
2. How does Jesus defend His claims? How do you think the religious leaders felt when Jesus refers to these "witnesses" (already discounted by these authorities)?
3. How does Jesus throw back at the religious leaders their own Scriptures? What is the true purpose for Bible study? Since their problem was not lack of information, what was it? Why did the miracles of Jesus not impact them?

### **REFLECT:**

1. What witnesses have convinced you that Jesus is indeed the One who gives life?
2. How can you use scripture to cultivate the love of God in you? What does it take?
